## **EXPERIENCE**

**Art Director** - MediaWorks, New York 1/2002 – 5/2007

Served as Art Director for the boutique firm MediaWorks, a full-service Advertising and Internet Design Agency in New York City. Specializing in high-end design motion graphics websites for the hospitality and real-estate development industries, I helped lead the company toward successful and award-winning work.

**Founder | Art Director** - pOpform, New York 11/1999 – 1/2002

Helped establish the full service web design and development agency pOpform in New York City. Our innovative process and services led web initiatives for some of the nation's premier consulting companies, investment banks, non-profits and government institutions, translating business goals into rewarding online user experiences.

**Motion Graphics Designer** - Organic, New York 5/1999 – 11/1999

Part of the *Organic* motion graphics design team for clients such as *Tommy Hilfiger* and *Compaq* computers. Responsible for prototyping and developing motion graphics concepts and interaction behavior site-wide. Served as the integration liaison with engineering and supervised a team of developers as the lead for *tommy.com*.
